The Papiliodaemon secret is going to be unveiled...
...You're an idiot, Ayafuji-san.

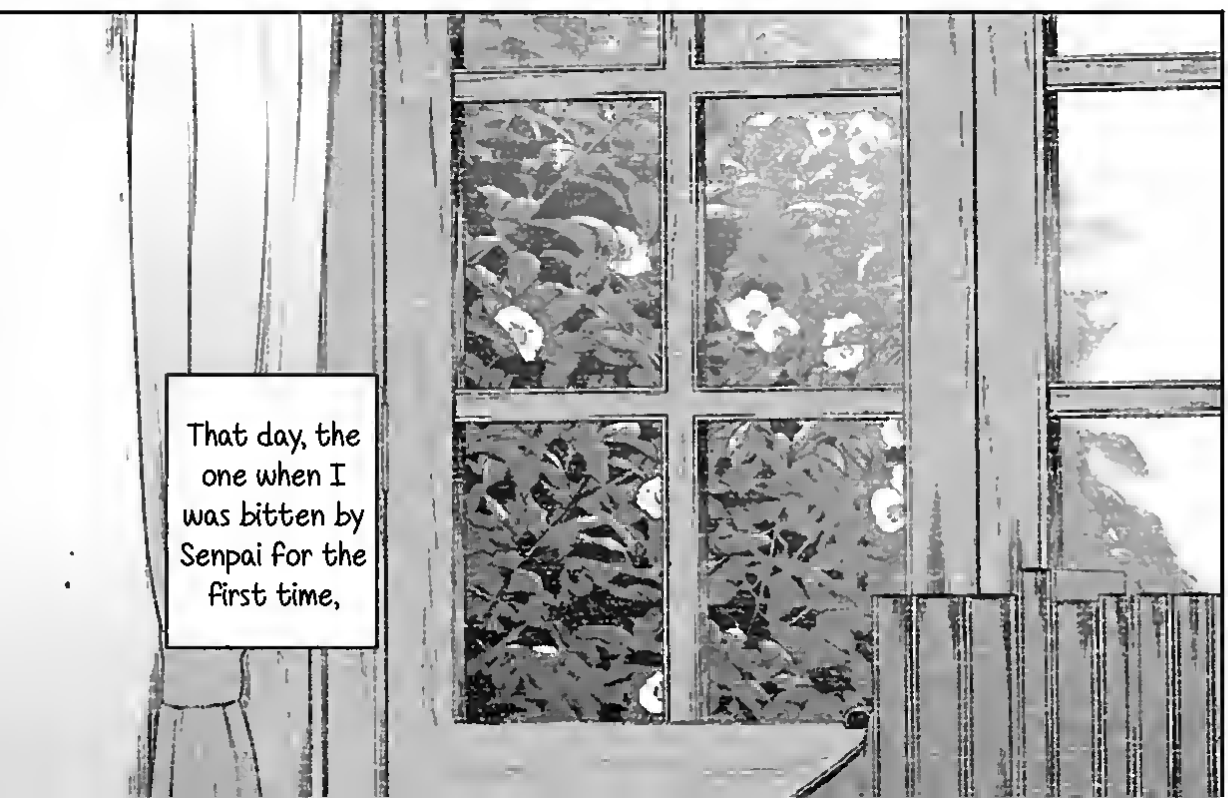
...I don't know if my previous self would have been fine with her grabbing my hand.
However, now I...



That day, the one when I was bitten by Senpai for the first time,

I...
Tell me, Senpai...
Japanese stewartias were blooming early in the garden behind the student council room.
They bloom in the morning and fall at dusk, but I like these flowers.
Although this year, the flowers I can see from the window have all fallen and there aren't any more blooming on any tree.

Sixth Night Scattering
第六夜「散花」

散る夏椿と葵。花言葉は「愛らしさ」と――「大望」
Mallows and stewartias are scattering— in the language of flowers, this symbolizes "loveliness" and "grand hope."

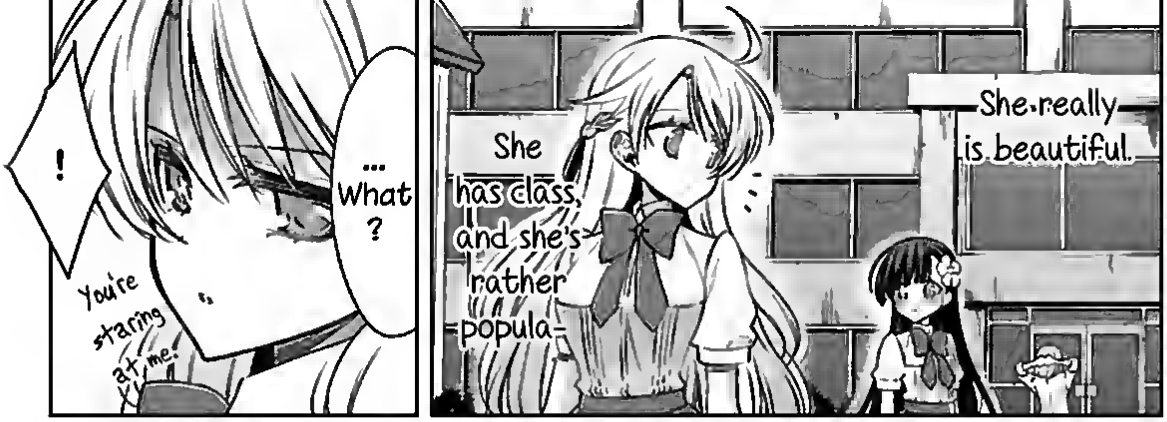
Well, I'll leave you with the young people.
So annoying.
Okay, I should get back to work now that Youko-san is going home.
Senpai...



!
You're staring at me.
...
What ?
She really is beautiful.
She has class, and she's rather popula-

I've told you before, right? They grow near the student council room.
Oh, Japanese stewartias!
Awawa
Ah, I-I, erm, I didn't know where to look.

Yeah, they're also called *Saras*, so...

Looks like they're growing over here too.
I've been passing by this place for two years and I'd never noticed.

Did you remember that ?

...it's something I want to remember!

I can't tell her that I'm captivated, so...
Ah, nothing ...
... What ?

Oh, so you're really charmed?
I-I can't ... take that as a joke when you're the one say-ing it!

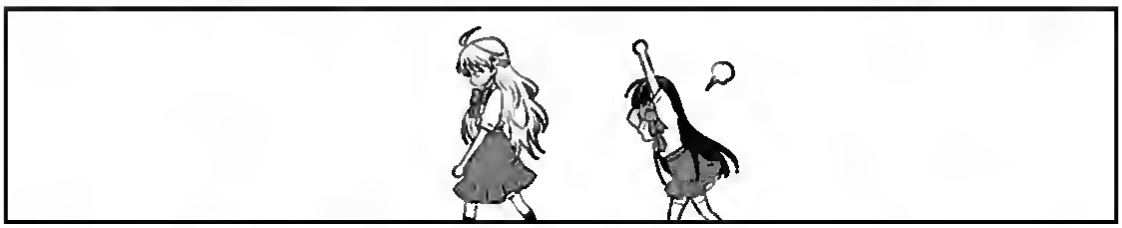
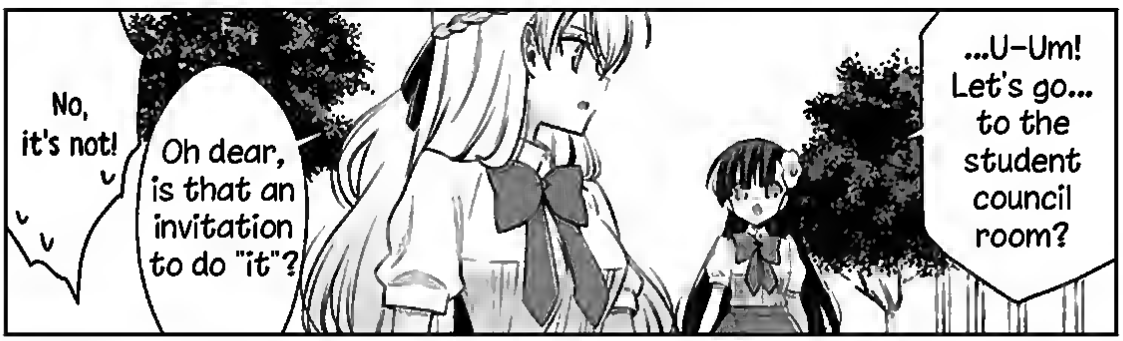
... Well, I guess... A little bit...

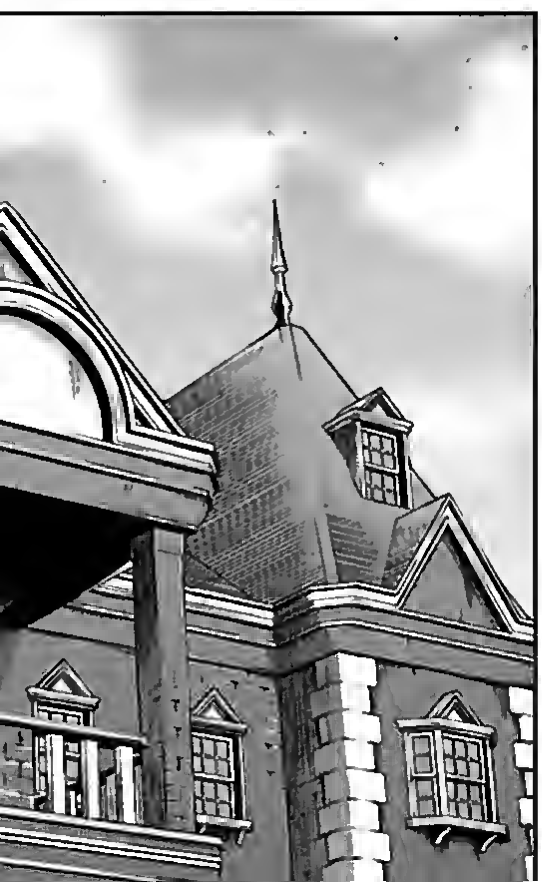
Ah, could it be that I'm too radiant, and you're fascinated by me?
Am I right?

Oh, thanks.
Whisper



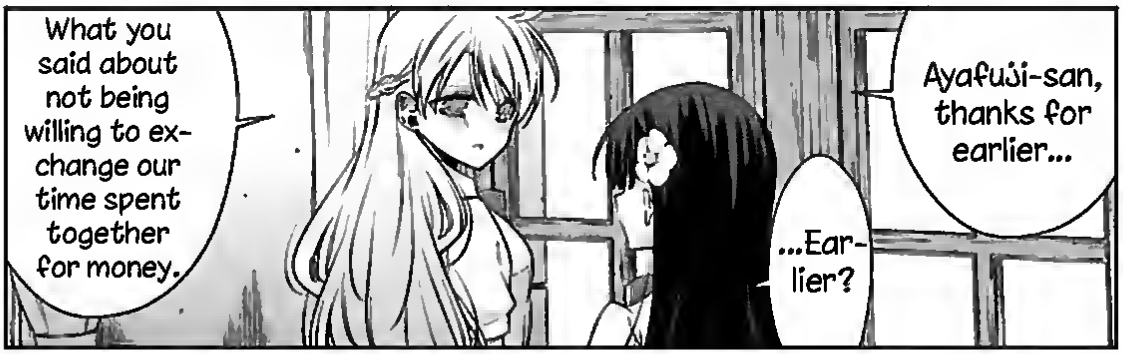


No, it's not!
Oh dear, is that an invitation to do "it"?
...U-Um! Let's go... to the student council room?



That's not entirely wrong,
but it's not totally true either.

Ah, the stewartias have fallen.
Seems like it ...



What you said about not being willing to exchange our time spent together for money.
...Earlier?
Ayafuji-san, thanks for earlier...

...Ah, I was just saying what I really felt, so...
I don't want being together with you to be a means of making money...

I was glad to hear that.

Why?

may I take your blood?

Please, Ayafuji-san,

Why is she looking at me with those eyes?

My body is heating up just from her gaze...
ゴクッ!!

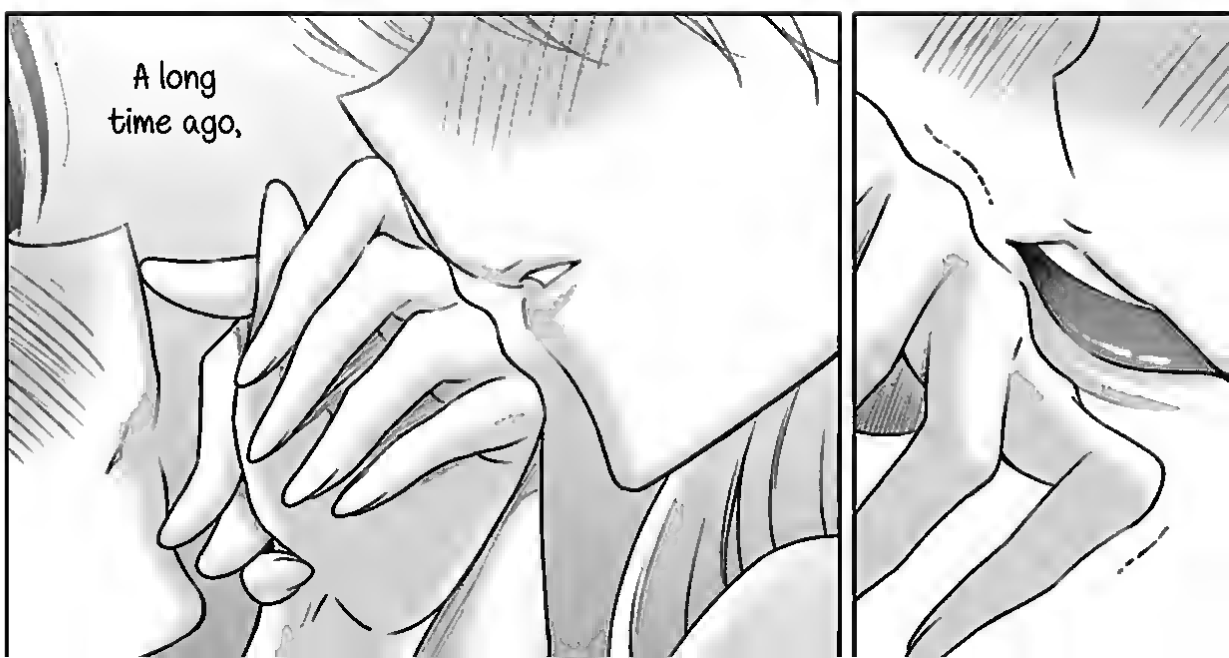
... Thank you.

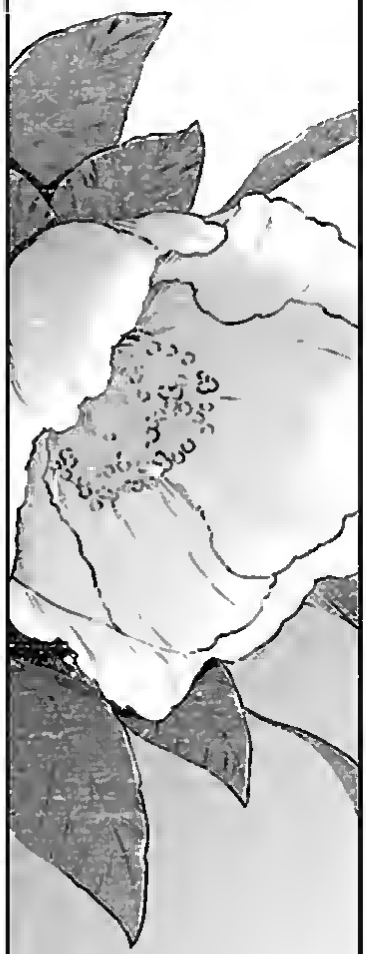


A long time ago,

I used to hate Japanese stewartias.

Those flowers that would bloom in the morning, then fall in the evening, would make me feel gloomy.

But they bloom on and on, sprouting beautiful white blossoms which encapsulate a flower's fleeting beauty.



Since meeting Senpai,

like the stewartias, many feelings have bloomed within me.

Tell me, Senpai!

These beautiful white flowers...
Are you going to watch the stewartias together with me next year, too?

That's ...

That's Shion's and Aoi's voices!?
Coming from the hallway!

That girl, that girl— you always say that!
I... you ... girl is stubborn and hard to... ...because... sucked blood...
You say that, but how long are you going to put it off?

I'm done. I'll tell them both tomorrow!

Don't lie to me, Shion. What's the problem with brides?

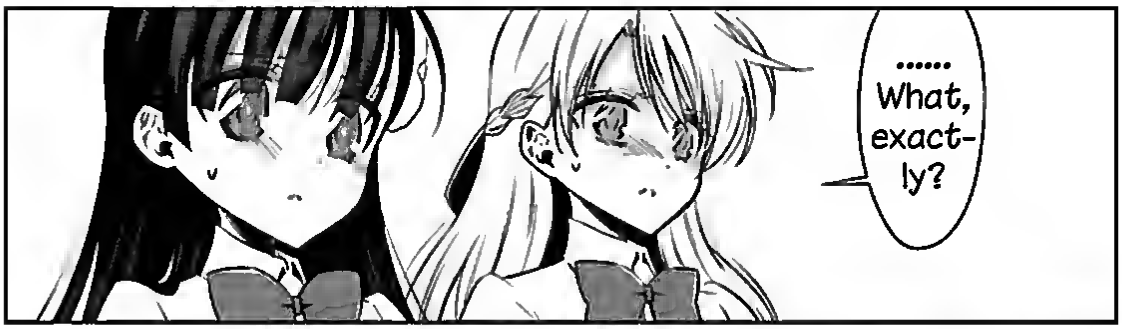
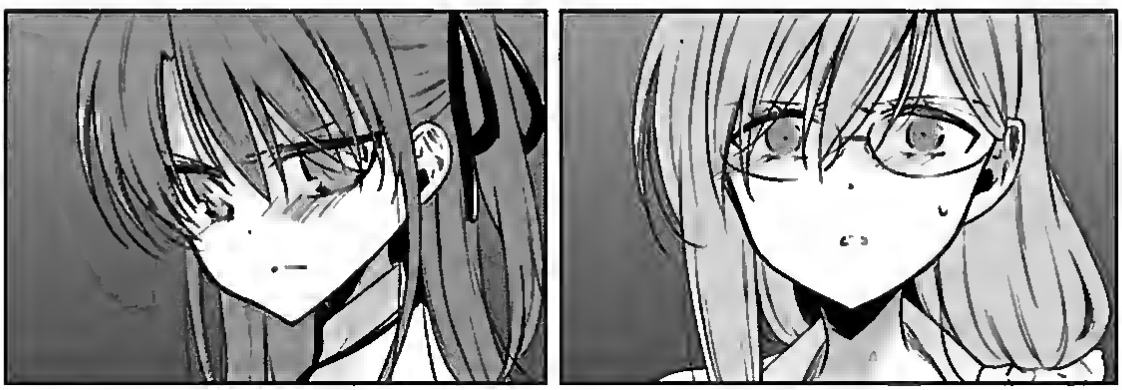
Iris, Ayafuji, listen.
Aoi, you can't!
You are aware of it, right?
Right now, it's still too—
I'm a bride, Sensei, so I...!

but Ayafuji-san didn't.
I chose to become a bride, so I've accepted it,



.....
What, exact-ly?



Iris-senpai, Ayafuji-san.

Brides

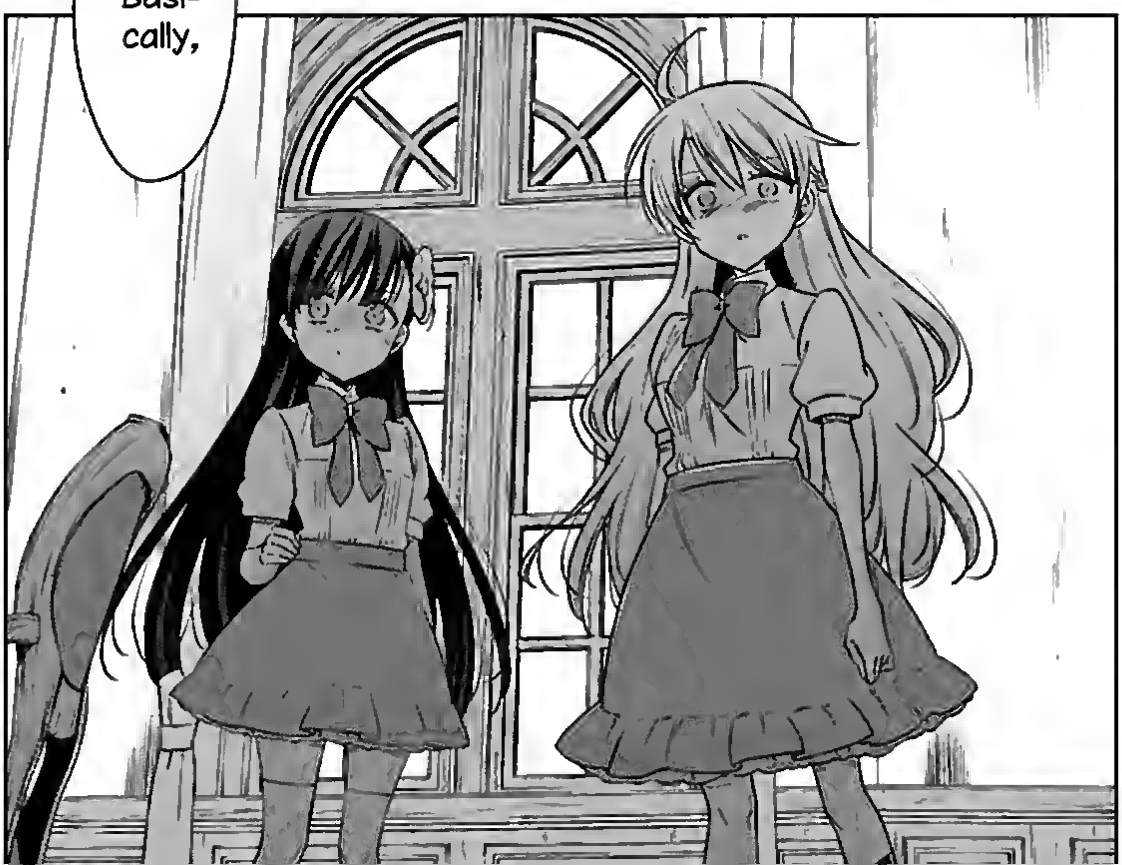
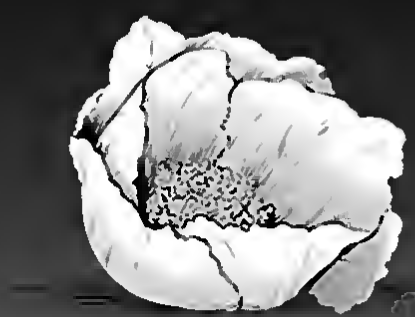
What?

Basi-
cally,



Ayafuji and I will be dead around this season next year.



An abrupt announcement about their fate! What will become of Iris and Sara!?
